Dear Carole:

I am forwarding to you via regular mail the Declaration, Assignment and Power of attorney for Dr. Cosgrove, Dr. Guiltinan and Tatyana Shcherban with regard to the above-referenced Patent Application. I forwarded Simon McQueen-Mason's documents to you on November 24, 2003. To date, we have been unsuccessful in obtaining Jun Shi's documents. We will continue our search for Jun Shi, but I was wondering if you would help by asking Dr. Cosgrove directly. Once we have located Jun Shi, I will be able to forward the documents. They have been returned, so I know the address we have in our system is incorrect.

Thank you.

Ruth,

We are preparing a response to the Patent Office concerning the "nonsigning inventor", Jun Shi for this above-identified application. It looks like we have to present our efforts in locating this inventor to the PTO. We need to have any information or documentation regarding any inquiries to her whereabouts that you have made. For example, can you let us know when you contacted DuPont, the phone number and the results of your inquiry, etc...

Also, can you please let me have Jun Shi's last known address. We will be mailing via certified mail a declaration to this address and when it is returned to us as undeliverable that will also be sent to the PTO.

Thank you,
Carole

Dr. Cosgrove,

Ruth Harpster has been acquiring all of the inventor's signatures for the assignment, declaration and power of attorney documents for the above-identified application. She has

been able to contact everyone except Jun Shi. Can you please give me an address or any information you might have to help locate Jun Shi? Thank you for your help.
